

# Teach Peace

Teach Peace Foundation

**Live life with  
purpose, hope and joy!  
By Christopher, The Happy Cricket.**

# Everyday acts of kindness teach peace!

When you greet others  
with a smile you share the  
power of peace.

**When you do something thoughtful  
you are creating peace.**

What is something you can do  
to be a peacemaker?

At home and in far away places we can  
achieve peace with acts of kindness!
